

Jon Cooke

Keith Thomas

The Honourable Company of Air Pilots has awarded the General Aviation Safety Council (GASCo) Regional Safety Officers (RSO) the Sword of Honour in 2020. It is awarded for an outstanding contribution to General Aviation (GA).

Two of the GASCo Regional Safety Officers are Jon Cooke and Keith Thomas, who are also members of the On-Track Aviation team. Jon is one of On-Track Aviation's instructor/examiners and Keith is a presenter at the On-Track Aviation Instructor, Examiner and Senior Examiner Seminars.

GASCo Regional Safety Officers are dedicated to the provision of the Safety Evenings around the UK that were previously provided by UK Civil Aviation Authority (UK CAA) personnel. Additionally, they also provide a unique training package, called the Airspace Infringement Awareness course, targeting infringing pilots. The Airspace Infringement Awareness course has been jointly developed by the UK CAA and GASCo.
